Circular No. DT/AM-118 of 2008

Extension of trading hours for SGX Nikkei product suite

SGX is pleased to announce that with effect from 17 November 2008, the close of the T+1 Session of the SGX Nikkei Product Suite will be extended to 10.55 pm from the current 7.00 pm (Singapore time).

This will bring the trading hours for the SGX Nikkei Product Suite in line with the trading hours of other SGX-listed futures and options contracts. The extended T+1 Session trading hours will allow customers to better manage their risk exposure arising from news and market movements during the European trading hours.

Please do not hesitate to contact your Business Managers or Mr. Lin Yujun of Product Management (DID: +65 6236 8622, Email: yujun@sgx.com) for further enquiries.
